BRETS HARD TO BEAT .- We have been po litely presented by Mr. John N. Spain, with a magnificent specimen of beets grown in his garden in the vicinity of this city-one of them measuring two feet in length, and largand heavy in proportion.

We regret exceedingly to find among the list of killed by the explosion of the ill fated Lex ingtowthe name of Jos E. Miller, second clerk, and part owner. Jas. E. MILLER was a citizen of this place, and son of the late Capt. Joseph Miller, of the Receiving & Forward ng Merchants, New Orleans and Nashville trade. His un timely end will be regretted by a large circle of friends to whom he was endeared by many nol-le traits of character. To the members of his own immediate family his loss will be most severely felt; but let it be a consolation to them-and it should be a great one-to know that he lived without reproach, and did with out a stain upon his character.

SPECIAL NOTICES.

Slean's Gintment.

We would call attention to the advertisement in our col umns, of this popular and truly Great Remedy. We have witnessed its extraordinary virtue in a varity of obstinate cases, and heard of many cures it has performed, that really appear incredible, were they not testified to by persons of veracity. For obstinate old sores of every kind, fresh wounds, barns, corns, sore nipples or broken breasts, it has no equal, And for piles it is warranted to cure every case, no matter of how long standing, or how horribly the patient

may be afficied. See Sloan's advertisement in another column. je28-1w

It would hardly do for any one to have the temerity now-Bitters, which are prepared by Dr. C. M. Jackson, In cases of dyspepsia, liver complant, and derangement of the digestive organs, their many virtues have long since been made plainly apparent. They purge from the system the morbid humo's which retard their natural functions, and bring ish those clogs upon happiness, and restore the system to high health. jy2-1m

WYATF & CO., Charleston,

YOUNG, WYATT & O., Savannah, Cotton Factors, Commission and Forwarding Merchants. To he Citizens of the Southern and

Western States. Learning from my agents and correspondents in various parts of the country, that my Schiedam Aromatic Schnapps is extensively counterfeited, especially in the Southern and Western States, and finding that the pirates daringly advertise their pernicious deceptions under the name which belongs to my article, I think it necessary to caution the No. 29 and SI South Market street, NASHVILLE, TENN. community against these venders of poison in disguise. I introduced the Schledum Aromatic Schnapps for the purpose of su plying the medical faculty and the whole munity with a pure medicinal spirit, which night be prescrib d with confidence in all cases where stimulants were required, without producing the fearful con equences which invariably result from using adulterated liquor. In order to render assurance doubly sure. I had the article analyz d by chemists of world-wide celebrity, and sub-mitted it for experiment test to thousands of distinguished

medical practitioners. The responses from these sources were of the most unequivocal and satisfactory character.— It is now before the public, surrounded with these guarantees, and bearing these u-impeachable endorsements, and I call upon the come unity to protect themselves and me-their own health and my reputation by frowning down and repulitating the piratical speculators who are pedding their foul commodities under cover of my trade mark. No article had ever be a imported from Holland it to this market, un der the number of Schnapps, previous to the appearance of Wolfe's Schiedam Aromatic Schnapps, in this city.

The first importation bein made into this city in the year eighteen hund ed and forty-light, which can be seen by the Custom House books, I d posited m tarel as a trade mark in the U. S. District Court of the Southern District of New York, in the year eighteen hundred and fifty one, and have the certificate in my po session of that date. The great demant which has thus been created for the genuine ar cle, has set the whole hive or counterfeiters in motion, and the duty I owe to my customers and friends, and the public, compels me from time to fine to put them on their guard against imposition. I have established a depot at 25 South Front street, Philadelphia, where the Western merchants

can draw their supply at New York prices.
